2. Visit [redacted]

25X1A

Announcement was made of the next visit [redacted] to be conducted on 29 April 1954. It was also announced that a ceiling of 15 would be established for these trips in the future in order to reserve sufficient space on the plane for others traveling back and forth on official business.

25X1A

3. Sabotage Course

Announcement was made that as of the present date there are no candidates for the Sabotage Course, scheduled to be conducted in May. The long-term schedule will announce one more Sabotage Course during the next six-month period. If this program is not patronized, further offerings of this course will not be made.

4. Female Attendance - Phase III

It was pointed out that there are at present 14 female students scheduled for Phase II and six already entered in Phase III. The total of these two enrollments exceed the 18 which is the maximum number which can be accommodated at any one time at the base. Each of the senior training officers stated that they will examine their candidates for Phase II and that by the closing date for enrollments in this course, it is felt the number will be reduced to 13.

Amendment:

[REDACTED] TSS, requested that the minutes of the previous minutes be amended as follows:

25X1A

25X1A

[REDACTED] announced that a Photography placement test has been introduced. Its purpose is to determine the level of proficiency and consequently the course best suited to the student's capabilities. It should also lessen tutorial work by channeling people who really need it into Basic Photography, but it cannot eliminate occasional special tutorial needs.
